Booster Meeting

Shiela Cross opened the meeting and welcomed everyone.

Mr Adcock gave the following Director's Report:

Classes are off to a good start, both groups sound great for this early in the year!

He is keeping their singing to short periods and taking multiple breaks. Everyone has great attitudes and are all getting along really well.

We are keeping positive about Comp Season and will know more in November.

Mr. Castle will possibly be held in January. We are flipping the normal schedule of things and having the Musical in late October.

He wants to continue fundraising as much as we can.

Supplies would have to be distributed somewhere other than inside the building, due to COVID, we can not have parents inside the school building.

No Fall Concert, but the possibility of a Holiday one with each group performing on a separate night.

Track suits will be ordered around the beginning of November.

If we are able to compete, this is the schedule:

February 13 Plainfield

20 Ben Davis

27 Mooresville

March 6 Avon

13 Brownsburg

20 State Finals

The Student Boards for each group were introduced as well the Parent Board.

Ms. Jenny Kinney is our Assistant Director and wants to encourage all parents to please reach out via text/email if you ever have any questions or concerns.

Marsha Paladino and Kim Schultz, our Co treasurers, opened the floor for questions regarding payments, and the budget, as well as giving the following information:

Due to our excess of funds from not finishing our Comp Season last year, the Board gave \$20K back to the general fund to make everyone's fair share amount lower this year.

The budget was sent out with Plan A and Plan B options and needs to be approved.

there is the possibility of using our excess of funds for new risers and/or trailer is we do not get to compete.

Statements were sent out on 8/31 with 25% of our Plan B amounts due by 9/15. The full amount is due by 12/15.

Kim shared the new payment option with us that allows everyone to pay online once they receive their invoice. There is still the option to mail a check to the PO Box.1265 Newburgh. Please don't hesitate to contact either treasurer with any questions or concerns regarding your invoices or fees.
