

Show Choir Booster Meeting 3/15/21 via Google Meet

Motion to approve the August minutes by Lisa Bartley, Second by Angela West

Director's Report from Mr. Adcock:

Brief summary of our year with Covid rules so far. Adults still not allowed inside CHS unless it has been an approved game, performance, etc.

The 3 competitions we were to attend in February were all cancelled. The 2 in March did take place but had multiple restrictions and guidelines in place that would have made it extremely difficult for us to take part in since we have to travel multiple hours by bus.

We are looking forward to our 3 shows in May, "while nothing can take the place of comp season, the joy of performing live will be there."

We will have 3 shows so we can control the audience amount, masks will have to be worn, with social distancing rules in place.

Rehearsals will begin after we return from Spring Break. Rob (our choreographer) will be coming in as well. We are hoping to possibly have a scaled down version of our annual Mr. Castle Contest, more info to come later/

During rehearsals, the kids will be masked as much as possible.

Our goal is to give our Seniors and our new members some kind of Show Choir experience in this year of cancellations.

Both groups enjoyed their "mini Retreats" last week.

Please let Mr. A know of any upcoming conflicts with the scheduled rehearsals that your child may have.

We are having a non-traditional "Banquet" on May 17th at First Christian Church. It will be more of a "Reflection Program" to honor our Seniors. We need some non-Senior parents to volunteer to help make this a special evening. Please contact any Board member if you'd like to help. Emails are listed below

Kim Schultz gave the Treasurer's report.

Thank you to everyone for making timely payments toward their fair share and remind those that have not that they could send to the PO Box address.

2. since our season came so late in the year, we were unable to budget for it, but the board voted to use some of the extra funds (due to covid last year) to cover Rob's costs and any of the additional expenses for our season.
 3. Recently purchased our senior banners that will be on display soon if they are not already.
 4. Recently completed our audit for show choir (is usually done every 3-5 years) so Kim and Scott Schulte have been working to get that buttoned up.
 5. Would really love to have anyone that would be interested in heading up treasurer next year shadow the end of the year procedures as I will be gone next year. If anyone is interested, please reach out to me or Kim.
- As far as our current year budget is concerned, besides the extra expenses with the late season, we are doing well with what was proposed.”

Shiela introduced new business:

In April we will be nominating people for next year's Board, please see the By Laws that were sent last week for a description of each position. The position of VP was inadvertently left off, so it will need to be added and the By Laws amended to include it.

We will most definitely need some parent help/volunteers with the upcoming shows, be on the lookout for emails with information.

Motion to adjourn the meeting made by Heather Furbee.
Second by Hilary Feightner
