

Castle High School Knight Sensation and Knightingales  
2020/2021 Contract Agreement

The purpose of this contract is to provide an explanation as to the financial commitment that your show choir member and family are agreeing to with the acceptance of a position in Knight Sensations or Knightingales for the 2020/2021 school year. As we all know, this is an exceptional year with Covid, and unfortunately we do not know if we will be able to compete. The show choir booster club leadership has come up with two different budgets that will, to some degree, reflect two scenarios. Plan A is the all in competition season. If we get the go ahead, our year will look a lot like other years. Plan B is a modified budget in which we have cut out all costs related to competition.

Plan A	Plan B	New Member fees-\$123
existing member \$904.28	\$123.19	
swing member \$678.21	\$92.39	

The annual budgets for the choirs are presented and voted on by the parents typically at the July Booster meeting, but due to Covid, we are voting on it tonight. These budgets outline the anticipated cost of participation in the show choir. It is important to understand that the budget relies on estimates and the actual costs may vary throughout the year. Below you will see the proposed budgets. Due to the timing in show choir and the uncertainty of competition, the budgets may be slightly fluid. Fortunately, Mr. A said he would make every effort possible to not spend money towards competition until the last moment.

The Booster Club will still offer fundraising opportunities for students to earn money towards their financial obligation each year, but this year may be more difficult. Please take advantage of every opportunity and if you have money left in your account and your child is an underclassmen, they can use that money for future years. By signing this form, you are committing to making timely payments toward the student's financial obligation and assisting the group when needed at events throughout the year. You are also acknowledging your understanding that 25% of the student's annual financial obligation is due by September 15, 2020 and the remaining is due by December 15th, 2020. If this is not met, costumes will not be given to your child and your child may not be able to compete or attend the end of year banquet.

Please return the bottom half of this form to school and turn it in to the student treasurers, Ben Lloyd for KS and Julia Johns for KG. Please plan to have this form in by 9/4/20.

-----  
I understand the commitment involved with being a member of KS or KG is both a time and financial commitment. I also understand that the budgets may be somewhat fluid due to Covid-19. I understand that there will be fundraising opportunities that will be available to help my child pay their dues, and that there still may be a financial obligation on my (parent's) end. As a parent, I agree to be responsible for the full payment of my child's fairshare, with all payments completed by 12/15/2020.
