

Castle High School Show Choir Program Sponsorship Form

Under the direction of Mr. Brian Adcock, with assistance from Ms. Jenny Kinney, and featuring choreography and visual design by Rob DiComandrea, the Castle High School Show Choirs have gained recognition and respect throughout Indiana and the United States.

Highly regarded throughout the Midwest, the CHS Show Choirs are consistent finalists in their invitational competitions and have been selected as finalists in the prestigious Indiana State School Music Association state championships over ten times.

In addition, the CHS Coral Program has been the recipient of the ISSMA "All- Music Award" for seven of the first eight years of the award's history. Students consider it an honor and source of pride to be part of this program.

The objectives of the show choir program include, but are not limited to:

- Developing personal discipline in students;
- Increasing students' familiarity with, and participation in, the performing arts;
- Identifying, developing, and honing students' musical abilities;
- Providing a creative outlet for students with vocal and dance skills;
- Exposing students to regional and statewide performing arts competitions.

Program Support Opportunities

As the Castle Show Choirs enter the 2023-2024 competition season, I am requesting your assistance in defraying the costs associated with this performing arts program. The annual expenses are not underwritten by the Warrick County School Corporation or Castle High School. Consequently, I am responsible for \$1,200 per year on the average.

Thank you for your support of the Castle High School Show Choir Program!
